Lucille Horton

With the retirement of Lucille Horron this year. Monticella loses one of its most interesting, versatile, and committed educators. Mrs. Horron, who has raught mathematics for 29 years, 20 of them in Monticella, is the very model of the best kind of teacher. Not only is she a well respected, well liked math teacher, she has found time, also, to be advisor to the math ream and to participate in many of the school's musicals throughout the years. Many of us remember her sparkling performances in Music Man. Bye. Bye Birdie. Mame. Hello, Dolly. Sound of Music, South Pacific, and, especially, her Golde in Fiddler on the Roof.

Most important, perhaps, has been Mrs. Horron's commitment to the total education of her students. It is not surprising that she graduated from Albany STate Teachers. Callege with a double major in math and English. She is indeed a literare individual who could easily have had a career teaching English. She is also an accomplished pianist whose involvement in all aspects of music proclaims her universal tastes and interests.

If mathematics is her first academic love, she says that her "greatest enjoyment has always been classroom teaching, interacting with feenagers. The biggest thrill cornes in seeing the light down when a new concept has been presented. The most frustrating part of reaching is trying to work with a student who has turned himself off and is not interested in learning."

FAY MAYBERG

The class of '84 is happy to include among its graduates Mrs. Fay Mayberg Wagner, who is retiring in June after twenty-five years in the district. Fay came to work for the district in 1958 as a typist in the superintendent's office and in 1959 served as tax collector for the school district. She has been an administrative assistant and school district treasurer since 1973. This lovely lady's signature appears on all the checks issued by the district.

We will miss her most of all because of her many kindnesses over the years. We thank her for all the help she has willingly given us, for her patience, and for her sense of humor. We wish her a full and happy retirement with her husband, Abe, her children, David, Phyllis, and Linda, and her grandchildren, Nathan, Jonathan, Alyssa, and Daniel. A bouquet of good wishes and love to you from all of us!

Junior Prom

'`Is This The End?''

Queen: Shekier Walker, King: Scott MacAdam

The class of 1985 hosted a Junior Prom that was a total success. The wonderful evening began with socializing and dancing with friends dressed in beautiful gowns and dashing tuxedos. Everyone enjoyed the atmosphere created by the music, murals, and the fountain which sparkled with flowers and lights.

The highlight of the evening was the crowning of the King and Queen and the selection of the court. Scott MacAdam and Shekier Walker were proudly honored with the top positions as King and Queen. This year, the court was comprised of twenty people who were selected for having worked the hardest to make the Prom a success. These people contributed a lot of time and effort and were very deserving of the honor.

The Junior Prom of 1983 will remain in the memory of each Junior, Senior, and guest who attended. With a little luck, the class of 1985 will have a Senior Prom as successful as this one, but in each Junior's mind, he or she will wonder, "Is This The End?"

Exchange Students

The foreign exchange student from Sonara, Mexico is Marcos Romandia. He is staying with the Goldsmith family in Monticello. He is currently participating in activities such as Interact and the Spanish Club. Marcos feels that Monti High is larger and less strict in comparison to school in Mexico. He also finds that the students and faculty here at Monti High are very outgoing and polite.

All of us hope that the remainder of his stay here in the United States is pleasant and memorable. We wish him the best of luck in the future.

We have another exchange student here in Monticello High. She is Camilla Oest of Taby, Sweden. She is staying with the Lauferswiler family in White Lake. She also has involved herself in school activities by joining Key Club, soccer, and skiing as well as being a member of the Yearbook staff. She is an skier and when she returns to Sweden she will work as a ski instructor.

We hope that Camilla has had fun in America and we hope to see you again in the future.

Exchange Students

Not only did we host students from foreign countries here, we also sent students to foreign countries. Jamie Zelanko is one of those students. She is spending her senior year in Emmen, Holland. She is staying with the Bolink family. It was difficult to adjust to her new life at first but now she is enjoying her visit and has made new friends, one of whom is the Bolink's fifteen year old daughter.

We certainly hope that her times in Emmen will be memorable and we look forward to her return.

Another student who is spending her senior year in a foreign country is Debbie Kaufman. She is staying in Orsa, Sweden. Her hosts are the Kalleberg family. Debbie finds the people to be a bit more sociable with each other than people in the U.S. It was hard for her to deal with the language gap at first so she had a translater to help her in her academic subjects. She enjoys Sweden and spends time on the European handball courts and in the Discos.

We're looking forward to Debbie's return to the United States and we hope she enjoys the time she has left in Orsa.

One of our seniors attended school in a foreign country last year. That student was Ellen Greenwald who participated through the Rotary Exchange Student Program. She visited Italy. She stayed in Pisa as well as other cities in the country. Among her favorite things were going out and sampling Italy's pizza and pasta with the new friends she made. The people there must be wonderful because she would love to return someday. We're sure she will.

Welcome back Ellen. We missed you!

"What do you want?"

Has senioritis struck again?

Late night, Huh?

"But mom, it's only inhouse."

TEST PRAYER

Now I lay me down to study,
I pray the Lord I won't go nutry.
If I should fail to learn this junk,
I pray the Lord I will not flunk.
But if I do, don't shed a tear,
Just put a rose behind my ear.
Tell my teacher I did my best.
Then pile my books upon my chest.
If I should die before I wake,
That's one less test I'll have to take.

-Suffering Student

"Do, re, mi . . . "

"You call this food?"

"I think I'm playing this game wrong."

In Memoriam

Kenneth "Jimmy" Bailey September 18, 1965 - May 3, 1983

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless
deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

Alfred, Lord Tennyson, "Crossing the Bar"

In the Section 9 Championships, the girls were led by Jackie Phipps, who finished 21st in the state meet. The girls finished third in Section 9. Congratulations on a fine season.

The Boys' cross country team had one of their finest season ever. They finished with a 9-1 dual meet record. They won every invitational except St. Anthony's Invitational, in which they finished sixth. They won the O.C.L. Championship and finished second in the Section 9 Championship. In the Federation Meet, they finished 22nd which means that they are 22nd in the state. Congratulations!

The 1983 Girls' Tennis ream began the season as a young team ready to learn and improve. New players were guided by the small number of returning players. We worked hard for the smallest accomplishments, encouraging each other every step of the way. Nobody gave up. Each of us got the ball over the net any way she could. If we didn't have the skill, we made up for it by hustling all over the court. We had the courage to play every match to the best of our ability, regardless of the circumstances. We had class, style, and a spirit that could never be broken.

In our eyes we had a successful season. The season ended as an encouraging experience for the new players, and a personal achievement for the seniors. We learned that we could be proud of our team as long as each member tried her hardest and played her best.

This years Girls' Varsity Soccer Team turned in an excellent season. The team started the season off with a bang. They won three pre-season games and tied two. They continued their success during the first half of the O.C.L. season. After playing each team once, their record was 5-2. The two loses were to the top teams, Minisink Valley and Washingtonville. They started off the second half well, but then began to lose confidence. Three more loses and one tie resulted. The final tally of 8-5-1 put the in third place, instead of second as they had hoped.

Their record was still good enough to seed them sixth in sectionals. Their first game was against third seeded Cornwall, whose record was 10-0-6. On Cornwall territory the Montis' earned a hard fought victory. The girls were very proud to advance to the semifinal round.

Even though they lost in the semi-final round and fell short of their goal which was to be the Section 9 Champs, the girls will never forget their two years together and memories they shared.

Congratulations on a fine effort and a successful season!

The 4x100 relay team of Tom Watson, Rich Armstead, Kelly Lawler, and Mark Bradley, and the 4 x800 relay team of Ray Condron, Bob Costa, Dave Price, and Miguel Castillo both set new school records in their respective events.

Big Brother Is Watching You!

Some say this is the totalitarian world of George Orwell's novel 1984. Is It?

This cannot be true. Certainly our thoughts are not controlled. Surely the media does not affect us. We are not bombarded with propaganda. There is no Big Brother. Our worst fear is about "ring around the collar". Who does control us? Do you have bad

We do not live in a world where governments supress the rights of individuals. All our wars are fought for high idealistic purposes with motives anybody can understand.

Surely we have complete control of our emotions. We know that the true meeting of souls is internal. We love when we want to. We love where we want to and how we want to.

THIS IS OUR WORLD . . . WE CONTROL IT!

Freedom Is Slavery

War Is Peace

Are you brainwashed?

SPECIAL THANKS

Mr. Harding: Thanks for putting up with our annoyances near deadline time, and for being there whenever we needed you.

Mr. Rader: Thanks for opening up on a Sunday for the "World's Greastest Painters," for the art exhibition, thanks for all the passes to class, opening the door when we forgot our keys and for being the best frisbee player we know.

Mr. Levandowski: AKA: Mr. LeBandowski. Thanks for the use of the phone and for being so nice!

Mrs. Gearhart, Mrs. Ellenberg and Mrs. Eshelman: Thanks for taking care of those missed classes, and for maintaining your cool when we called the office and didn't mean to.

Judy McGowan: Thanks for all the class lists you lent us, and for being the friend to all of us now and always.

Mrs. Burke: Thanks for doing such a great job handling our finances and for putting up with all of our noise.

Mrs. MacAdam: Thanks for always "quenching our thirst", and for being the absolutely sweetest person we know.

Mrs. Borko and Mrs. Ingberg: Thanks for letting us use the typing rooms.

Mr. Skalski: Thanks for telling us where the spaces should and shouldn't be, and for all your help.

The Class of 1984: We've always known that our class would work harder than any other, as you've shown time and again.

Not only did the Class of '84 have the best Junior Prom, but to top it off you also raised the most money for the Magazine Drive in Monti High's history!

We knew we could count on you! We could not have done this without you.

Bozo: It started out rough, but it couldn't heve ended any better!

If it wasn't for our nervous advisor pacing around the office and making us worry from time to time, we never would have pushed ourselves the way we have.

Not only have we created a yearbook, but we have also made a very special friendship that we will always treasure.

Thanks for making our Senior year so special, we will always remember it fondly.

It is the notorious year 1984, but our class is proof of how wrong George Orwell really was. An overview of the class reveals a healthy divergence of original ideas and imaginations. Yet, as different as each of us may be, together our efforts have yielded this great yearbook.

We would like to extend a special thanks to all our classmates for keeping your determination, for putting up with our countless dittoes, and for giving us the most successful magazine drive ever! No other class can compare!!

We'd also like to thank our advisor, Mr. Bobby Rosengard, more affectionately known as "Bozo." Not only did he supervise our work and keep us honest, he became a valuable friend to us all. We will never forget him. We'll miss you, Bozo.

We hope you enjoy the memories we've tried to capture in this yearbook. No one could have had a better time putting it together. We'll never forget the friendships we've formed and the good times we've shared.

We wish you all happy and satisfying lives, good friends, and wonderful memories. Thanks for the good times!

With much love and friendship, Always, SUE, LISA, AND MEL 1984. The promised year of horror. The time of Big Brother, Newspeak, Doublethink, and other mind-controlling systems. Sometimes when I read the newspapers or watch the commercials on television, I think that Orwell had a point. I worry if all of you will find yourself in a Stepford world . . . and not even know it.

Then I consider the people who have worked so diligently to produce this yearbook, and I know that none of you will go gently into the mindless world Orwell predicted.

I know that I work at this job because my greatest satisfaction lies in watching young people, students, grow, learn, and succeed in their activities. Nothing pleases quite so much as a group of students performing a piece of music they have learned to play well, or a group of youngsters changing uncertainty, fear, and disorganization into a beautiful yearbook. Thank you for this gift. You are the reason most of us remain teachers.

Sue Krekun - "Krek" - more than anyone else, you organized and guided this enterprise to a successful ending. You developed great skills and talents for organizing and delegating responsibility without ever losing your good-natured, pleasant disposition. I was doubly fortunate in finding a competent editor and a compassionate person who forgave me my errors. Love and thanks.

Lisa Giarrusso - my many thanks for all the intangible services you performed for the yearbook. You were always ready to take on any job and do it reliably and well. You stepped into the co-editorship with Carmella Piturro and both of you became indispensible. "Mel," you, too provided the extra ingredient we needed this year, and you did your task with warmth and good humor. Thanks to both of you for producing. Jill Eshelman and Kim Francica - co-layout editors - my thanks to you for a superb job done accurately and pleasantly. Your presence alone always lit the yearbook office up. Brenda MacAdam, Jamie Noeth, Tina Jasuta, Terry Coney, Amy Smith, and Linda Jahrling - your individual contributions were many and indispensible. Together you raised more money than your nervous advisor ever thought possible. You carried out your assignments with your own distinctive forms of efficiency. Thank you many times. Eric Nordby - sports editor - in some ways, you represent most perfectly the reasons that Big Brother hasn't got much of a chance with your generation. Your uninhibited individuality is a form of grace. Thanks for sharing it: you brightened my year. To all the members who woked so well to make this yearbook a reality, our deepest appreciation. Remember us when you have left as we will recall each of you: with great fondness and love. Thank you for once again reminding me why I teach.
